Donna,

Thank you very much for contacting me. I am now the Project Manager. The reassignment is a rather new development. The website is in the process of being changed. My contact information is attached. I look forward to interacting with you.

Jack

Jack, Hello.

I am the NJDEP Case Manager for the Superfund aspects of the Shieldalloy site in Newfield NJ and work closely with Jenny Goodman. I heard that are you now the Project Manager for the Shieldalloy site, replacing Ken Kalman. However, the fact sheet on the NRC.gov website says Ken Kalman, so I am not sure.

Please advise me of whether the Project Manager is you or Ken. If you are, can you please provide me with contact information including your telephone number and mailing address?

Thank you.

-D
