SUBJECT: WATTS BAR UNIT 1 - MAKING DOCUMENT 9409210131 PUBLICLY
AVAILABLE (TAC M89825)

Staff internal memorandum, G. C. Lainas to B. A. Boger, dated September 16, 1994, was given Accession Number 9409210131. I have canvassed all personnel (Messrs. R. Gramm, J. Peralta, F. Hebdon, R. Gibbs, P. Fredrickson) involved with generating and receiving that document, and none of them raised any objection to making it publicly available. Furthermore, it is my opinion that the document matches none of the nine categorical exemptions under the Freedom of Information Act (FOIA); it is unlikely that the staff can successfully deny an FOIA request for that document.

Please, therefore, reclassify that document and enclosure as publicly available, and issue copies to the PDR and local PDRs.
