Subject: [ACTION] - Suggested Internal Meeting date to discuss FENOC DFI

Dee,

Per our discussion this morning, Tom Wengert (PM for DB & Perry) would like to schedule an informational meeting/call with BV NRC staff to discuss the demand for information (DFI) that was issued to FENOC recently (ADAMS: ML071340321). The DFI is in regard to the 2002 DB head issue and the "Exponent Report" (ADAMS: ML070860216) that was issued earlier this year.

After discussing this with Ron Bellamy (BV Branch Chief), **Wed, June 13** (afternoon preferable) would be a good day to have that call. We also understand that there will be a meeting between NRR and FENOC at HQ at a later date on this topic and that Region 1 representation will be requested. We can discuss this on the call.

If this date is acceptable, please have Tom determine a time and setup a bridge#.

-Dave
