Attention: Ms. Elinor Adensam
Chief Licensing Branch No. 4

Gentlemen:

In accordance with instructions received from Tennessee Valley Authority, we have forwarded 15 copies of the Supplementary Report covering the Independent Review of the Auxiliary Feedwater System for Unit 1 of Watts Bar Nuclear Plant for your information. The six volume report has been shipped via United Parcel Service.

If you have any questions on the submittal, please contact Tennessee Valley Authority.

Very truly yours,

BLACK & VEATCH
