Dear Mr. Dinitz:

As I told you in our phone conversation, enclosed is a list of the Plants, Policy Numbers and Endorsement numbers along with the dates they were mailed to you.

Since you first thought some might not have come in due to the envelope coming to your desk without its contents, I thought this list might be helpful. Should you need clarification on any of these items, please let us know.

Sincerely,

JF
Jean Fielder (Mrs.)
