Atlanta, Georgia 30309

SUBJECT: WATTS BAR NUCLEAR PLANT SERVICE LIST (TAC NOS. M72494 AND M72495)

Dear Ms. Zilbert:

By letter dated February 10, 1995, you requested that Greenpeace be placed on the NRC staff's service list, based on your interest in licensing of the Watts Bar Nuclear Plant. Accordingly, I have added your name to the service list effective today. From now on you will receive all Watts Bar public documents issued by the staff.

Please be advised that you may obtain copies of previous staff-issued documents, and documents submitted to us from Tennessee Valley Authority, by calling our Local Public Document Room program staff at 1-800-638-8081. The docket numbers shown at the bottom of this page will be useful when you make such a call.

Also, please be advised that you may dial 1-800-952-9674 for a recorded message on planned open NRC meetings.

If I can be of further assistance, feel free to call me at 301-415-1451.

Sincerely,

Original signed by:

Peter S. Tam, Senior Project Manager
Project Directorate II-4
Division of Reactor Projects I/II
Office of Nuclear Reactor Regulation

Docket Nos. 50-390 and 50-391
