Mr. Daniel R. Muller, Assistant Director
Environmental Projects
Directorate of Licensing
U.S. Atomic Energy Commission
Washington, D.C. 20545

Dear Mr. Muller:

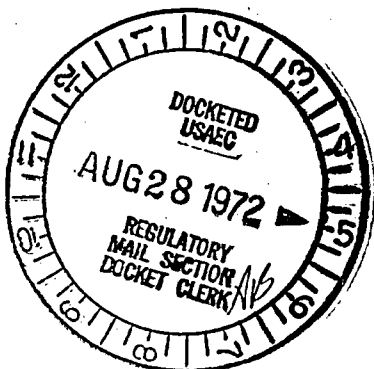

Pursuant to our conversation enclosed are twelve copies of the proposed final environmental statement for the Watts Bar Nuclear Plant (Docket Nos. 50-390 and 50-391) for your review pursuant to the AEC-TVA lead agency agreement for the preparation of environmental statements on TVA nuclear plants.

We understand that notice of the construction permit hearing will be published the week of August 27. Therefore, we shall appreciate completion of the review at your earliest convenience, and are prepared to meet with you at any time to discuss the statement if it will be helpful. Please call Mr. H. G. Parris, Chief, Power Supply Planning Branch, 615-755-2294, for any assistance you may require.

Sincerely yours,

J. E. Gilleland
Assistant to the Manager of Power
