All,

Please see the attached latest draft of the FENOC confirmatory order related to FENOC's handling of the Exponent Report, in routing for Office concurrence. This revised draft includes the incorporation of comments provided by the licensee earlier this week.

In the attached email, OE has also outlined the process going forward. OE has requested Office concurrence by 10:00 am Thursday. **Please provide any final comments on this document to me by 2:30 pm today, prior to my submitting this for Jim Dyer's concurrence this afternoon.**

Please contact me if you have any questions.

Regards,

Tom Wengert
