Subject: Timeline for Public Release of Pkg ML07086211

OK

Mike,

Can you please inform me of the following:

(1) I see that the report we discussed earlier this week is now in ADAMS (Pkg ML07086211). Can you please tell me the earliest date when this package and its documents are could be released to the public? This date is needed for the construction of a COMM Plan timeline.

(2) Will the documents be "automatically" released to the public, or is there human intervention that makes this happen?

I'd appreciate it if you could response as soon as possible, as we are in the process of finalizing the COMM Plan. Call me if you have questions.

Thanks,

Tom Wengert
