Could I ask a favor?

Could you get the following items up on two News and Correspondence pages?

For the first one, on the RPV Upper Head Issues page, will require a new 2007 link

<http://www.nrc.gov/reactors/operating/ops-experience/pressure-boundary-integrity/upper-head-issues/upper-news-correspondence.html>

For the second one, on the Davis-Besse Reactor Vessel Head Degradation page, you will also need to create a 2007 link

<http://www.nrc.gov/reactors/operating/ops-experience/vessel-head-degradation/news.html>
