Undine and Amy,

if we could get closure soon on the direction we are going with this, I'd greatly appreciate it. Thanks!

Michele

fyi, attached is some dialog about the congressional staffer response to the following items:

Congressional staffer oral question from 5/23 briefing: Do the three new items raised by the Exponent Report on page 9-7 raise generic safety issues?

Bill Kane question: How much work will it be for staff to prepare the information to respond to the investigator?
