Mr. Orrill,

Per our discussion, you stated that you were trying to obtain publicly available documents in ADAMS that are associated with the current Davis-Besse 2.206 Petition. I've attached the publicly available documents available for your reference. As I stated, the purpose of today's NRC Petition Review Board public meeting, was for Mr. Lochbaum, Director, Nuclear Safety Project, Union of Concerned Scientists, to provide additional information with regard to Items #2 and #3 of his petition request.

You'd also asked about the purpose of the June 27, 2007, public meeting. I've included a copy of the meeting notice, should you decide to observe the meeting in person or via teleconference. If you have any questions about the June 27th public meeting, you may contact Tom Wengert, the meeting contact. However, the attached meeting notice contains an agenda to give you a better sense of the agenda topics.

Thanks,

**CC:** Thomas Wengert
