Greetings,

I am looking at 0 hours / 0 pages from DCI at this point. This is due to the limitation of the request in relations between DOJ and NRC. I may come up with a page or two somewhere, but at this point, that is my estimate for DCI.

Hi

I will be out of the office for the next three days and would like to respond to this FOIA request today if at all possible.

I am looking for estimates on records relating to meetings between DOJ and NRC regarding the NRC's consideration of the Exponent Failure Analysis Associated Report dated December 15, 2006

thanks much
Patti
