Subject: Re: ADES Priority Issues

Greetings,

Looks good for that level. For your information, DCI has one action to hold a technical level telecon with FENOC to discuss if any additional information, which FENOC aluded to in their June 27, 2007, public meeting, may be of concern regarding the Exponent report. Otherwise, at this point, DCI staff are providing technical support for any further actions on this issue.

Jay
