Subject: Summary of Conference Call on 11/27/07 Re: License Amendment 14

This email is a follow-up to our teleconference on 11/27/07. During this conversation we discussed my comments/questions on MARAD's October 9, 2007, license amendment request (ML072880143). Per our discussion, additional clarification is required in the bases for proposed changes; 8, 9, 12, 14, 22, 27, 28, 30, 34, 35, and 36.

As discussed, these clarifications are administrative in nature and do not affect the technical bases for any of the proposed changes.

This email will be put in NRC's document control system (ADAMS) as a public record of our discussion. Call me if you have any questions. Thanks.
