Greetings,

Noticed the date for the public meeting was June 26th. I think it was the 27th.

All,

Please see the attached draft confirmatory order in preparation for FENOC, related to their handling of the Exponent Report. As noted in the attached email, most of the confirmatory actions are based on commitments FENOC made in their 6/13/07 Demand for Information Response.

Please provide any comments to me by COB today (Monday 7/30).

Nadiyah/Mark - Can you please coordinate this with the appropriate individuals in Region I?

Thanks,

Tom Wengert
