Yes, I just got off the phone with Leslie Fields. Material issues will be addressed by FSME. DCI only has the first item (FENOC).

Thanks, Stacey

I think "material" issues refers to the FSME scope...like the GAO sting operation. FSME and RIII needs to help out on this.

DCI/DPR/DLR,

I apologize for the quick turnaround, but we just received a Green Ticket to provide one-pagers for Commissioner Lyons meeting with Senator Voinovich. We need to provide information on the following topics that might impact Cleveland Ohio or the surrounding areas.

FENOC order - Commission wants a copy of the Order as it currently stands (**DCI**)
Power Uprates (**DPR**)
License Renewal (**DLR**)
Any Material Issues (**DCI**)

Ticket is attached; it also went to RIII and NRO. Please provide me your one-page summaries by 2:00pm tomorrow (Thursday 8/2) so that I can submit them by COB tomorrow to EDO.

Thanks,
Stacey
