Reviewer's comments concerning license SNM-01192

---

This license was issued in May, 70, for decontamination of the Middle River, MD. facility which was said (from an amendment to SNM-53 in Sept, 69,) to be storing 500 gms. of enriched (enrichment not specified) in the form of contamination in building D. On Sept 22, 70, the licensee reported to the AEC by letter and survey that the building was decontaminated. The results should be reviewed for present standards.
