Dear Ms. Weidner:

03001250

With reference to our byproduct materials license 06-02388-01 amendment 87 dated November 16, 2007, control number 141005, please send us a corrected copy indicating that we still have cesium-137 brachytherapy sources on hand in item 7.D. The previous amendment did not specify manufacturers and model numbers for materials permitted by 10 CFR 35.400.

Thanks for your prompt attention to this.

Sincerely,

Stuart R. Korchin
Radiation Safety Officer
