Nuclear Regulatory Commission

Docket No. 70-143

DOCKETED
USNRC

September 26, 2007 (7:41am)

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

**PETITIONER, KEN SILVER, REQUEST FOR EXTENSION OF DEADLINE
FOR REPLY TO NRC STAFF RESPONSE TO HEARING REQUEST**

On this, the sixth weekday following receipt of the NRC's staff response to my Hearing Request, I request that the Presiding Officer use his discretion to grant me an additional thirty (30) business days to reply to the NRC's staff response. As an academician, my business days follow the school calendar and its holidays. By extending the deadline for reply thirty business days from today and by taking into consideration the academic calendar, my reply would be due on Tuesday, November 13, 2007.

This timely request is being submitted so that this petitioner may have a reasonable period of time to:

1. seek advice of counsel
2. conduct further research on laws applicable to ASLB hearings
3. secure additional documents pertinent to this proceeding.

Respectfully,

Ken Silver, DSc, SM
