Re: Final EIS - Watts Bar Nuclear Plant, Units 1 and 2

Dear Mrs. Keblusek:

Please find enclosed comments from the State Planning Office, Southeast Office and the Tennessee Historical Commission concerning the above referenced EIS.

If this office may be of further assistance, please do not hesitate to contact me.

Sincerely,

Bette A. Osborne
Natural Resources Staff

DATE: February 13, 1979

SUBJECT: A-95 GRANT REVIEW PROJECT

CONTROL NO. STS 2173

WATTS BAR FINAL ENVIRONMENTAL IMPACT STATEMENT

We have no comment

The following comments are offered:

TSPO has reviewed this study and would like to suggest that the population data used in Table 2.1 be changed to conform with TSPO's certified population for the towns listed. The correct certified populations are listed below.

Also, in the same table, Decatur is listed as being in two counties. The Town of Decatur lies entirely in Meigs County.

	<u>1970</u>	<u>1973</u>	<u>1975</u>
Decatur	698	856	1,021
Dayton	4,361	4,477	4,477
Graysville	951	951	951
Spring City	1,756	1,756	1,756

Re: FEIS Watts Bar Nuclear Plant - Operation (NRC)

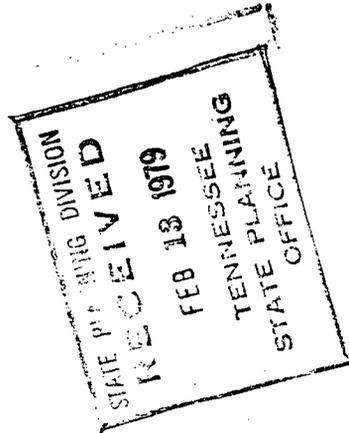

Dear Bette:

The State Historic Preservation Officer and his staff have reviewed the above document and due to the nature of the proposed work, it will not affect the plans, priorities and responsibilities of our agency.

Sincerely,

Herbert L. Harper
