Dear Walt:

Enclosed is the information you requested concerning radiological data and fish biomass. Additional data is being requested from our Radiological Hygiene Branch for water samples taken during the period October 1979 to May 1980. I have also enclosed a reprint and brochure which may help to answer other pertinent questions.. Let me know if you need additional information. We would appreciate the findings of your analysis when they become available.

Sincerely yours,

L. L. Behrends, Agriculturist
