Supplemental Information #2 in Support of Application for Order Approving
Indirect Transfer of Control of Licenses

By letter dated July 30, 2007, and as supplemented on October 31, 2007, Entergy Nuclear Operations, Inc. (ENO), acting on behalf of itself and Entergy Nuclear Generation Company, Entergy Nuclear FitzPatrick, LLC, Entergy Nuclear Vermont Yankee, LLC, Entergy Nuclear Indian Point 2, LLC, Entergy Nuclear Indian Point 3, LLC, and Entergy Nuclear Palisades, LLC, (together, Applicants), requested that the Nuclear Regulatory Commission (NRC) consent to the indirect transfer of control of the above-captioned licenses pursuant to

A001

Section 184 of the Atomic Energy Act, as amended (the Act), and 10 CFR 50.80. The indirect transfer of control results from certain planned restructuring transactions that would involve the creation of new intermediary holding companies and/or changes in the intermediary holding companies for the ownership structure for the corporate entities that hold the NRC licenses for Pilgrim, Indian Point 1, 2, and 3, FitzPatrick, Vermont Yankee, Palisades and Big Rock Point (together, the Facilities), including both the six corporate entities (named among the Applicants above) licensed for their ownership of the Facilities and ENO, which is the entity licensed to operate or maintain the Facilities. Simplified organization charts reflecting the current and planned post-reorganization ownership structure were provided as Figures 1 and 2.

### Additional Information Regarding Nature of the Transaction & Organizational Structure

As discussed in the July 30, 2007 Application, the restructuring would isolate and simplify the structure of the businesses that comprise Entergy Corporation's wholesale nuclear business segment and enhance the ability of analysts, regulators, capital markets and shareholders to understand and evaluate this business segment. The Board of Directors of Entergy Corporation (Board) and its management have continued to evaluate the company's options regarding this business segment, and the Board has determined that the wholesale nuclear business segment should be organized under a holding company (referred to in this application as "NewCo") and that the shares of this company should be distributed directly to the shareholders of Entergy Corporation.

After the proposed transaction, the shareholders of Entergy Corporation will also separately own the shares of NewCo. As such, NewCo will be owned and controlled by the public. Prior to the distribution of the shares of NewCo, there is a possibility that an individual or group under common control may seek to purchase more than 5% of NewCo's shares and, in connection with this investment, this individual or group may potentially acquire rights in the management of the corporate affairs of NewCo, such as the right to appoint one or more member(s) of the NewCo Board of Directors. ENO recognizes that any such arrangements could have implications regarding whether such entities might be in a position to exercise "control" of NewCo. Therefore, during the time that this license transfer request remains pending, ENO will inform NRC if it has information suggesting that any individual or group under common control will acquire more than 5% of the shares of NewCo in connection with the proposed transaction.

The organizational structure of the reorganized company will need to be different from that provided as Figure 2 in the July 30, 2007 Application and rather will be as reflected in the attached Figure 3. (Figure 1 is also provided for ease of reference.) The Applicants respectfully request that NRC review and approve the implementation of the proposed reorganization with the corporate structure reflected in Figure 3. With the limited exception of additional information provided below, the information provided in the July 30, 2007 Application, remains the same.

#### Additional Information Regarding Technical Qualifications

ENO will remain the licensed operator of the Facilities and will be owned by a parent company referred to in this application as ENOI Holdings, LLC, which in turn will be owned 50% by Entergy Corporation and 50% by NewCo. Each of these 50% interests will be held by wholly owned subsidiaries of Entergy Corporation and NewCo, referred to in this application as ETR ENOI Holdings, LLC and NewCo ENOI Holdings, LLC. ENO will therefore continue to benefit from Entergy Corporation's continued role in the operation of the NRC-licensed commercial nuclear power plants owned by NewCo. Under the existing and any amended operating agreements with the individual plant owners, ENO will operate and make capital improvements at the plants in accordance with the operating licenses and applicable laws and regulatory requirements; ENO also shall have the sole authority as the operator of the plants to protect the public health and safety and comply with NRC orders and requirements. ENO will establish clear lines of authority to carry out its duties as an operator, and dispute resolution mechanisms will be established in the event of any disagreement among the two 50% owners of ENOI Holdings, LLC. Notwithstanding any such disagreement among the owners of ENO, the Chief Nuclear Officer of ENO shall have the authority at all times to take any actions necessary to carry out ENO's responsibilities as the operator under the NRC Operating Licenses, including any actions and/or expenditure of funds necessary to protect the public health and safety, to maintain safe operating or shutdown conditions at each plant, and to comply with NRC orders and requirements.

In addition, ENO will be converted from a corporation to a limited liability company and its name will be changed to ENOI LLC. Under Delaware law, ENOI LLC will assume all of the rights and responsibilities of Entergy Nuclear Operations, Inc., and it will be the same company (legal entity) both before and after the conversion and name change. To the extent any approval might be required to consummate the conversion, such approval is being sought in connection with the pending "Application for Order Approving Indirect Transfer of Control of Licenses." ENO will separately submit a request for license amendments to make the administrative changes as a result of ENO's name change from "Entergy Nuclear Operations, Inc." to "ENOI LLC."

#### Additional Information Regarding Financial Qualifications

As a result of its review of financial projections, NRC has made a second Request For Information (RAI-2). An Answer to RAI-2 is enclosed. Both RAI-2 and the Answer to RAI-2 discuss proprietary financial information, which should be withheld from public disclosure.

In addition, NewCo will take the place of Entergy Nuclear Finance Holding, LLC for all purposes where Entergy Nuclear Finance Holding, LLC is discussed in the July 30, 2007 Application. NewCo and the owner-licensees will enter into the financial Support Agreement described in the Application. A form of this Support Agreement was provided as Attachment 5, and NewCo will take the place of Entergy Nuclear Finance Holding, LLC in this agreement. A revised version "Attachment 5 (Revised)" is provided with this letter for convenience. NewCo also will provide a letter of credit or other financial assurance instrument in compliance with 10 CFR 50.75(e)(1) to be held by Entergy Nuclear

Palisades, LLC and to replace the \$5 million Guaranty of decommissioning funding assurance for the Big Rock ISFSI.

In addition to owning 50% of ENO, NewCo will own the same pool of assets that had been planned for Entergy Nuclear Finance Holding, LLC. As such, the financial projections submitted for Entergy Nuclear Finance Holding, LLC are representative of the projections for NewCo for purposes of assessing NewCo's financial qualifications to provide the Support Agreement. In addition, the financial projections for the six individual owner licensees are "bounding" or conservative, when the group of six plants is assessed on a consolidated basis. Nevertheless, ENO has prepared updated balance sheets and financial projections for NewCo and the six individual owner licensee entities. These projections are provided in a proprietary Addendum labeled "Answer to RAI 2 and Updated Financial Projections (Proprietary Version)." ENO requests that this document be withheld from public disclosure pursuant to 10 CFR 2.390, as described in the Affidavit of Michael R. Kansler, which is also provided. A redacted version of this document, suitable for public disclosure is provided separately and is labeled "Answer to RAI 2 and Updated Financial Projections (Non-Proprietary Version)."

#### **Additional General Corporate Information**

The NRC licensed entities affected by the indirect transfer of control are:

ENO (Entergy Nuclear Operations, Inc., converted to ENOI LLC)

**Entergy Nuclear Generation Company** 

Entergy Nuclear FitzPatrick, LLC

Entergy Nuclear Vermont Yankee, LLC

Entergy Nuclear Indian Point 2, LLC

Entergy Nuclear Indian Point 3, LLC

Entergy Nuclear Palisades, LLC

ENO will remain the licensed operator, and the funding of operations will continue to be provided through agreements with the licensed owner companies. There will be no change in the technical qualifications of ENO.

The following companies would be the direct or indirect parent companies of one or more of the licensed owner entities:

NewCo

Entergy Nuclear Holding Company #1

Entergy Nuclear New York Investment Company 1\*

Entergy Nuclear Holding Company\*

Entergy Nuclear Midwest Investment Company, LLC\*

Entergy Nuclear Holding Company #3 LLC\*

Entergy Nuclear Vermont Investment Company, LLC

Depending upon the ability to obtain favorable tax rulings, it may be possible to eliminate the intermediary companies designated above with an asterisk ("\*"). If favorable rulings are obtained, ENO will inform the NRC and provide an updated organization chart, indicating

which intermediary holding companies remain in the chain of ownership of the licensed owner entities.

The following companies would be the direct or indirect parent companies of ENO, the licensed operator:

Entergy Corporation
NewCo
ENOI Holdings, LLC
ETR ENOI Holdings, LLC
NewCo ENOI Holdings, LLC

The detailed general corporate information required by 10 CFR 50.33(d)(3) regarding each of the NRC licensed entities and their corporate parents is provided as Attachment 1 (Revised), which is enclosed with this letter. Attachment 1 (Revised) reflects the current plans regarding required general corporate information, which will be implemented prior to completing the license transfers. Additional key management personnel may be selected and will be reported consistent with NRC requirements. All of the current and proposed directors and executive personnel of these corporate entities are citizens of the United States, except that Simon D. de Bree, Director of Entergy Corporation, is a citizen of the Kingdom of the Netherlands. A single director with foreign citizenship will not be able to exercise control over Entergy Corporation or any of the individual NRC licenses.

#### **Regulatory Commitments**

The Regulatory Commitments identified in the table of the Enclosure to the July 30, 2007 titled "Commitments" need to be revised to reflect the role of NewCo substituting for Entergy Nuclear Finance Holdings, LLC and including the commitment made in this letter. A revised table is enclosed.

If NRC requires additional information concerning this license transfer request, please contact John McCann, Director, Nuclear Safety and Licensing, at (914) 272-3370 or jmccan1@entergy.com. Service on ENO of comments, hearing requests or intervention petitions, or other pleadings, if applicable, should be made to counsel for ENO, Mr. John E. Matthews at Morgan, Lewis & Bockius, LLP, 1111 Pennsylvania Avenue, NW, Washington, DC 20004 (tel: 202-739-5524; fax: 202-739-3001; e-mail: jmatthews@morganlewis.com).

Michael R. Kansler

President & Chief Executive Officer

#### **AFFIDAVIT**

- I, Michael R. Kansler, President & Chief Executive Officer, of Entergy Nuclear Operations, Inc. (ENO), hereby affirm and state:
- 1. I am authorized to execute this affidavit on behalf of ENO.
- 2. ENO is providing Supplemental Information #2 in Support of Application for Order Approving Indirect Transfer of Control of Licenses. The document being provided as the enclosed Sensitivity Analysis (Proprietary) contains proprietary financial information and financial projections related to the ownership and operation of the generation assets operated by ENO. This document constitutes proprietary commercial and financial information that should be held in confidence by the NRC pursuant to 10 CFR § 2.390(a)(4) because:
  - i. This information is and has been held in confidence by ENO.
  - ii. This information is of a type that is customarily held in confidence by ENO and there is a rational basis for doing so because the information contains sensitive financial information concerning projected revenues and operating expenses of ENO.
  - iii. This information is being transmitted to the NRC voluntarily and in confidence.

- iv. This information is not available in public sources and could not be gathered readily from other publicly available information.
- v. Public disclosure of this information would cause substantial harm to the competitive position of ENO by disclosing its internal financial projections.

| 3. | Accordingly, ENO requests that the designated document disclosure pursuant to 10 CFR § 2.390(a)(4). | be | with! | nela | from | pjubl | liç |

#### Attachment 5 (Revised)

#### Form of SUPPORT AGREEMENT

Between

[NewCo]

and.

Entergy Nuclear Generation Company, Entergy Nuclear FitzPatrick, LLC, Entergy Nuclear Vermont Yankee, LLC, Entergy Nuclear Indian Point 2, LLC, Entergy Nuclear Indian Point 3, LLC, and Entergy Nuclear Palisades, LLC

#### WITNESSETH:

WHEREAS, through its intermediate subsidiary companies, Parent is the indirect owner of 100% of the outstanding shares of the Subsidiary Licensees;

WHEREAS, the Subsidiary Licensees are the corporate entities that hold the NRC licenses for Pilgrim, Indian Point 2 and 3, FitzPatrick, Vermont Yankee, and Palisades (individually, each a "Facility," and collectively the "Facilities"); and

WHEREAS, Parent and the Subsidiary Licensees desire to take certain actions to assure the ability of the Subsidiary Licensees to pay the pro rata expenses of maintaining the Facilities safely and protecting the public health and safety (the "Operating Expenses") and to meet Nuclear Regulatory Commission ("NRC") requirements during the life of each Facility (the "NRC Requirements").

Now, Therefore, in consideration of the mutual promises herein contained, the parties hereto agree as follows:

- 1. Availability of Funding. From time to time, upon the written request of a Subsidiary Licensee, Parent shall provide or cause to be provided to such Subsidiary Licensee such funds as the Subsidiary Licensee determines to be necessary to pay Operating Expenses or meet NRC Requirements; provided, however, in any event the aggregate amount outstanding under this Support Agreement at any one time shall not exceed \$700 million, and this shall be the maximum unreimbursed amount Parent is obligated to provide under this Support Agreement.
- 2. No Guarantee. This Support Agreement is not, and nothing herein contained, and no action taken pursuant hereto by Parent shall be construed as, or deemed to constitute, a direct or indirect guarantee by Parent to any person of the payment of the Operating Expenses or of any liability or obligation of any kind or character whatsoever of the Subsidiary Licensees. This Agreement may, however, be relied upon by the NRC in determining the financial qualifications of each Subsidiary Licensee to hold the operating license for a Facility.
- 3. Waivers. Parent hereby waives any failure or delay on the part of the Subsidiary Licensees in asserting or enforcing any of their rights or in making any claims or demands hereunder.
- 4. Amendments and Termination. This Agreement may not be amended or modified at any time without 30 days prior written notice to the NRC. This Agreement shall terminate at such time as Parent is no longer the direct or indirect owner of any of the shares or other ownership interests in a Subsidiary Licensee. This Agreement shall also terminate with respect to the Operating Expenses and NRC Requirements applicable to a Facility whenever such Facility permanently ceases commercial operations and certification is made as to the permanent removal of fuel from the reactor vessel.
- 5. Successors. This Agreement shall be binding upon the parties hereto and their respective successors and assigns.
- 6. Third Parties. Except as expressly provided in Sections 2 and 4 with respect to the NRC, this Agreement is not intended for the benefit of any person other than the parties hereto, and shall not confer or be deemed to confer upon any other such person any benefits, rights, or remedies hereunder.
- 7. Other Financial Support Arrangements. This Agreement supersedes any other support arrangement relating to NRC requirements, if any exists prior to the date

hereof, between Parent or any other affiliate that is a signatory hereto, and a Subsidiary Licensee to provide funding when necessary to pay Operating Expenses and meet NRC Requirements for the Facilities, and any such other financial support arrangement is hereby voided, revoked and rescinded. As such, the total available funding provided for in this Agreement shall be limited as set forth in Section 1 herein and shall not be cumulative with any other financial support arrangement for purposes of meeting NRC requirements. For avoidance of doubt, the parties agree that this Section 7 does not apply to financial guarantees or commitments made to third parties, even where such agreements may relate to compliance with NRC requirements. A list of the financial support arrangements rescinded by this paragraph is provided as Schedule A.

8. Governing Law. This Agreement shall be governed by the laws of the State of Delaware.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
