RE: **ERRATA** -- SIERRA CLUB REQUEST FOR EXTENSION OF DEADLINE TO REPLY TO
NRC STAFF'S RESPONSE TO HEARING REQUEST OF THE SIERRA CLUB'S NATIONAL
RADIATION COMMITTEE AND WE THE PEOPLE, INC.

Dear Sir:

Following completion of Sierra's Request for Extension of Deadline to Reply, I made an attempt to format the Sierra Club Radiation Committee's letterhead on my old Dell computer which I have hooked up to AOL dial-up service. That attempt failed, so I had to revert back to my MacBook in order that a properly-formatted letter could be sent to the Panel.

Therefore, please correct the parenthetical phrase in the paragraph beginning with the word "Third", and substitute "tried" for "have had". A PDF of the corrected Sierra Club Request, initialed by me in the right margin, is attached to this email.

With the hope that this barely-functional MacBook hard drive and corrupted Verizon Wireless service allowed the Sierra Club Request and this Errata to reach you, I am,

Sincerely,

/s/ Linda Cataldo Modica

Hope you receive this at least once, and that last night's email arrives also.

Looking forward to receiving the Presiding Officer's determination on Sierra Club Deadline Extension via US mail.
