re: License amendment, license number 37-01861-01, ArcelorMittal Steelton, LLC

Gentlemen:

This is a request for an amendment of the referenced license to reflect the fact that the Burns Harbor plant is obtaining their own license from Region 3. Please coordinate with Region 3 to remove the use locations at the Burns Harbor Plant in Chesterton, IN and the Burns Harbor Plate West in Gary, IN, once a license is issued by Region 3 to Burns Harbor.

This action should take precedence over the license renewal letter dated December 14, 2007.

If you have any questions, please contact me accordingly at 610-756-4153 or by e-mail at alamastra@enter.net.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Anthony LaMastra'.
