Subject: Draft Confirmatory Order

Greg,

As we discussed, attached is the draft Confirmatory Order which confirms the commitments we believe FENOC has made following the issuance of the Demand for Information. We request that you provide us any edits, corrections, rewording, etc. that you believe are necessary to accurately reflect FENOC's commitments. Once all FENOC and NRC comments are resolved, we will follow up with a letter formally asking for FENOC's agreement to the conditions of the Confirmatory Order and then will issue the Confirmatory Order.

We would appreciate FENOC's comments on the attached draft Confirmatory Order by COB, this Friday, August 3, 2007, if possible. I will be out of the office on Thursday and Friday of this week. If you have questions during that time regarding the Confirmatory Order, please contact Cindi Carpenter or Nick Hilton at 301-415-2741.
