At 10:00 this morning, Cindi Carpenter informed FENOC that NRC is issuing the Confirmatory Order today. A copy of the Confirmatory Order has been faxed to FENOC. If your office has a activity to perform as part of the Communications Plan (ML072260139), please initiate your assigned action. We have requested that the CO be made immediately available in ADAMS. The ADAMS package number is: ML072260521
