

Director, Spent Fuel Project Office  
Office of Nuclear Material Safety and Safeguards  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

Docket number: 071-0939

December 13, 2007

Dear Sirs

Please accept this as our formal request for approval of Croft Associates Ltd QA system as described in Croft Associates' Quality Assurance Program Description Manual QAPDM (QAR144-A) which indicates conformance with 10 CFR Part 71, subpart H.

Both this letter and the QAPDM are being submitted electronically.

Questions and feedback concerning this submittal may be directed to:

Bob Vaughan at the address in the United Kingdom, or:

e-Mail: [bob.vaughan@croftltd.com](mailto:bob.vaughan@croftltd.com)

Telephone: 44 (0) 1865 407740

Sincerely

R. Vaughan  
Managing Director
