Dara,

Here is a first stab at a draft schedule for the upcoming environmental site audit. The technical folks are currently reviewing and will provide me feedback sometime next week. I will be out of the office until August 27th but will update with comments as soon as I return. If you need immediate assistance with IP issues, please contact Bo Pham at 301-415-8450.

I will attempt to get you a draft site audit needs list before I leave today.

Thanks,
JILL
