Barry/Leah:

Expect to get an acknowledgement letter with RAIs next week regarding your November 14th request. Attached are the draft RAIs. They may change (particularly RAI #1).

According to NRC requirement, 10 CFR 70.36, BWXT may not change its name without first obtaining written consent from NRC. We expect to get this amendment action completed by January 30, 2008. It could be sooner if there are no major deficiencies or policy issues).

If you have any questions, between November 28 through December 3, Kevin Ramsey will be the acting FMB Branch Chief. Kevin can be reached at 301 492-3123 or kmr@nrc.gov. Peter Habighorst, the FMB Branch Chief will be back on Dec 4th. He can be reached at 301 492-3136.

I will be out of the office Dec 3 through Dec 7. I will have access my email and I will check it once a day- so please copy me on all email.

Sincerely,

Amy M. Snyder, Senior Project Manager
