Thank Dara,
Bo and I talked, we decided that it would be most helpful to get whatever information for the RAIs that is now available and not wait until you have all the electronic data available. This way, we can get going full steam on parts of the review. Is the additional electronic data still scheduled to be available within the next two weeks?

Thanks,
JILL

Hi Jill, Jill B asked me to either send her your email address or send you Donna's contact info & this just seemed easier, so here it is: Phone: 914-734-6698 Email: dtyner@entergy.com By the way, did you and Bo come to any resolution regarding timing of sending the additional information relative to the extra time it will take for us to get the electronic data available in the right format? Thanks
