Dear Ms. Shapiro,

This is to confirm our telephone conversation of earlier today. In our conversation, you confirmed that the petition for leave to intervene which FUSE transmitted by E-mail on the evening of September 21, 2007, to certain employees of the NRC (without attachments), has been superseded by the "Petition for Leave to Intervene, Request for Hearing, and Contentions," with numerous attachments, which you sent to the NRC Office of the Secretary by FedEx overnight delivery on October 3, 2007. A copy of that filing was served by FedEx upon the NRC Staff. You further confirmed that the NRC Staff should not respond to the initial filing, and that any response should address the filing of October 3, 2007.

In our conversation, I mentioned that Entergy's attorney had informed me that Entergy had not yet received a copy of FUSE's Petition. You confirmed that service had not been made upon Entergy or its attorneys, and you advised me that you would inquire and arrange for such service to be made.

Finally, I have gone through the numerous exhibits attached to FUSE's Petition, and noticed that several exhibits appear to be missing. I would appreciate it if you would contact me to help clarify this situation.

You can reach me at (301) 415-1533.

Thank you very much.

Sincerely,

Sherwin Turk
Counsel for NRC Staff
