Aquatic/Terrestrial folks:

This is just a note to let you know that we have received responses from NMFS and FWS regarding the environmental review at Indian Point. The NMFS letter can be located under ADAMS accession number ML073340068 and the FWS letter can be viewed under accession number ML073230784.

Also, I have requested input from the State of New York concerning the state listed threatened and endangered species. As soon as I get that information, I will forward this to you.

Best,  
JILL
