Dear Mr. O'Reilly:

BROWNS FERRY AND WATTS BAR NUCLEAR PLANTS - EMERGENCY PREPAREDNESS EXERCISES

In a letter dated January 30, 1981, from J. P. Stohr to H. G. Parris, TVA was requested to provide a schedule for exercises required to comply with NRC rulemaking on emergency preparedness. Consistent with the need for an exercise before April 1, 1982, TVA is currently planning on conducting exercises during September 1981 for Browns Ferry and March 1982 for Watts Bar. Copies of the exercise scenarios will be provided four weeks before the scheduled exercise.

If you have any questions, please get in touch with D. L. Lambert at FTS 857-2581.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
