Gentlemen:

Subject: Confirmation of Meeting Arrangements - Docket Nos. 50-390, 50-391

This is to confirm arrangements made between Mr. L. M. Mills of your staff and Mr. D. R. Quick of my staff during a telephone conversation on February 1, 1982, for a management meeting at the Watts Bar site on February 18, 1982. We requested this meeting to afford you the opportunity to present and discuss the progress you have made toward resolution of identified concerns at Watts Bar. This visit will also afford me the opportunity to observe construction activities in progress at the site. I plan to be at the site for two days, on February 17-18, 1982. A meeting agenda is enclosed.

Should you have any questions concerning these arrangements, we will be pleased to discuss them.

Sincerely,

JSI

James P. O'Reilly
