According to the attached, Bill is making the changes to the letter himself.

I called Tammy Bloomer and confirmed this to be her understanding as well.

This is different than what I thought I heard late yesterday and is why I am sending this e-mail.

According to Tammy, Bill plans to share his re-write with Geoff Grant before going to final.

Eric.

You may have heard that Bill talked to Geoff. Bill is working on revising the letter and sharing it with OGC. At the moment he agrees that some form of the letter is OK to send.

Stay tuned.

Please find attached the draft of a proposed letter to FENOC requesting additional information relative to the Exponent Report. A decision on whether to send such a letter has not yet been made. In the interim, specific comments should be forwarded to Eric Duncan.

Pat/Rob - Please deliver to Jim and Mark.
