OFFICE OF THE SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

ENTERGY NUCLEAR OPERATIONS, INC.

(Indian Point Nuclear Generating Units 2 and 3)

SERVED December 19, 2007

Docket Nos. 50-247-LR and 50-286-LR

ORDER

In *Dominion Nuclear Connecticut, Inc.* (Millstone Nuclear Power Station, Units 1 and 2), CLI-06-4, 63 NRC 32, 38-39 (2006), the Commission directed “the Office of the Secretary to screen all filings bearing Ms. [Nancy] Burton’s signature and not to accept or docket them unless they meet all procedural requirements” and “to reject summarily any nonconforming pleadings without referring them to the Atomic Safety and Licensing Board Panel or the Commission.”

The Commission has recently received three pleadings from Connecticut Residents Opposed to Relicensing of Indian Point (CRORIP) and Ms. Burton: (i) a Petition to Intervene, (ii) a Petition for Waiver pursuant to 10 C.F.R. § 2.335, and (iii) a Motion for Leave to Add James A. Himes to CRORIP’S Membership Statement in the Petition to Intervene (Motion). All three documents were signed by Ms. Burton.

I accept for filing the Petition to Intervene and Petition for Waiver. But I reject the Motion, due to Ms. Burton’s failure to include the certification required by 10 C.F.R. 2.323(b) – a requirement about which the Atomic Safety and Licensing Board recently reminded Ms. Burton.¹

¹ See *Entergy Nuclear Operations, Inc.* (Indian Point Nuclear Generating Units 2 and 3), Order (Granting an Extension of Time to CRORIP within which to File Requests for Hearing), at 2-3 (Dec. 5, 2007).

IT IS SO ORDERED.

A handwritten signature in black ink, reading "Annette Vietti-Cook". The signature is written in a cursive style with a horizontal line underneath the name.

Annette L. Vietti-Cook
Secretary of the Commission

Dated at Rockville, Maryland,
this 19th day of December, 2007.
