Subject: Release of Exponent Report

To all,

As you are aware, the Exponent report is scheduled to be released into ADAMS on April 4th.

However, this report will not be publicly viewable through the NRC's public website until after about 2 a.m. on April 5th.

There are a very limited number of users who have access to ADAMS through Citrix. My understanding is that they may be able to view the document sooner than that, but not much sooner.

Eric.
