Dear Mr. Ebnetter:

OFFICE OF NUCLEAR POWER (ONP) - SENIOR MANAGER CHANGES

This is to inform you that I am reassigning W. R. Brown to his previous position as Director of Nuclear Construction. Mr. Brown has been serving as Manager of the Employee Concerns Task Group (ECTG) at Watts Bar Nuclear Plant since June 1986. Mr. Brown will continue to maintain his role as Manager of the ECTG. He is replacing B. R. McCullough, a contract manager, who has been Acting Director of Nuclear Construction since January of this year. Mr. McCullough is resuming his previous position as Advisor to the Director of Nuclear Construction.

Also, I am appointing R. A. Pedde to assume the duties of Watts Bar Site Director. Mr. Pedde has been serving as Deputy Site Director of Watts Bar since January of this year. He replaces George Toto, a contract manager, who has been Watts Bar Site Director since August of 1986. Mr. Toto will become one of my senior advisors.

I am making these changes to be consistent with my philosophy of reducing my reliance on contract or loaned managers in ONP.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
