Mr. Loudon:

The purpose of this letter is to request your agency review the attached final status survey plan for the Lake City Army Ammunition Plant Area 10 decommissioning. We also attached the Area 10 work plan for your information.

We have a condition in our license (SUC-1380) indicating we are to complete the Lake City Area 10 decommissioning prior to December 31, 2008. Consequently, as we discussed with Mr. McCann on December 19, 2007, if at all possible, we request your comments by the close of business on January 10, 2008, in order to meet our schedule of beginning field work on March 12, 2008.

Our point of contact is Mr. Mike Styvaert, AMSJM-SF,
