Summary:	<p>In a letter dated October 15, 2007, the licensee requested the addition of three physicians for AU status. The preceptor forms for Drs. Wilson and Strawser did not document the 700 hours of training and experience obtained by the physicians at Geisinger Medical Center and they did not include a copy of the permit issued to their preceptor. D. Heim will review the preceptor statement with the preceptor and update the form as necessary. He will also provide a copy of the preceptor's broad scope permit.</p> <p>Dr. Fasano provided a preceptor form from the State of Florida. The information contained in it did not cover all of the information required by the 313A(AUD). Therefore, I requested that he provide the NRC preceptor form.</p> <p>I informed D. Heim that I need the information by 1/15/08 in order to complete the action by it's deadline. He stated that if the information is not received by 1/15/08, the action should be voided and they would resubmit after obtaining all of the information for the three proposed AUs.</p>
