Mr. Nieder, To confirm our conversation today, I understand that you will be replacing Larry Wilson as our biological contact at NYSDEC for matters concerning the Indian Point relicensing application process. I will be your primary biological contact here, and, as I mentioned, others you may need to communicate with include our Project Manager, Bo Pham (301-415-8450); our Environmental Project Manager, Jill Caverly (301-415-6699); and our biological consultant at Pacific Northwest Lab, Jeff Ward. I am copying them on this e-mail so that you have their e-mail addresses as well as mine. Congratulations on your new position, and I look forward to working with you. Sincerely, Dennis Logan
