Bo &/or Jill:

The August 1, 2007 notice in the Federal Register, Vol. 72, p. 147 states that, "pursuant to 10 CFR 51.26, and as part of the environmental scoping process, the staff intends to hold a public scoping meeting. Detailed information regarding the environmental scoping meeting will be the subject of a separate Federal Register notice.

I have anecdotal information that a 60-day period for submitting scoping comments for the environmental review (per NEPA) is August 10-October 12, 2007. However I have been unable to find any Federal Register notice subsequent to August 1, 2007 that provides notice of such 60-day period.

Could you please provide me with the page number of Federal Register Vol 72 at which such notice specifying that 60-day period was published. Thanks.
