Mr. Sipos,

Unfortunately, the documents are checked into our Agencywide Documents Access and Management System (ADAMS) electronically and do not have letterhead on them. However, the pdf I forwarded you is actually part of our official agency record and can also be accessed through our ADAMS Web site at <http://www.nrc.gov/reading-rm/adams.html> (Acession No. ML072060503). Please give it a few more hours though, as it takes about 36 hrs for the system to process the letter through.

I will also add you to our mailing list. Thank you.

Hi Mr. Pham:

Thank you for your e-mail and fax.

Do you have a pdf version of the document w/ the NRC letterhead on it?
If so, would you please e-mail that file to me?

Also, would you please add my name to the list of recipients on all future communications from the NRC to the applicant or other companies, groups, states, or persons concerning the facility?

My contact information is as follows:

John Sipos
Assistant Attorney General
Office of the Attorney General

The Capitol
State Street
Albany, New York 12224

Thank you very much.

Dear Mr. Sipos:

Attached is a letter signed and faxed to your office yesterday regarding Entergy's license renewal application for Indian Point. The NRC also accepted the application for review yesterday as well, and expect the 60-day opportunity for hearing process to begin as soon as the Federal Register Notice is published (we expect 8/1/07).
