Hi Bo - Many thanks for the IPE and IPEEs for Indian Point. They seem to be much better than the copies I got from the PDR. Have sent them on to our expert, Gordon Thompson. If he has any trouble with them, I may be in touch, but this is such a big improvement that I don't anticipate any problems.

I realize you are on your way out of town, but I have another problem that I'd like your help with - we got copies of the FSARs for IP2 and IP3 on CDs from the Public Document Room. Various pages are whited out with no explanation of what is omitted or why. Can you get us complete copies?

Thanks -- Diane
