To Whom It May Concern:

I do

**MOST STRENUOUSLY PROTEST**  
the addition of two nuclear reactors to Plant Vogtle.  
I am convinced that this addition will impact  
most unfavorably - tragically - on the environment  
both locally and for the length of the Savannah River.  
It will also cause desperate harm to the already serious  
water deficiency afflicting the entire area in question.

Lee G. Alexander  
(Mrs.) Lee G. Alexander
