SUBJECT: REQUEST FOR INFORMATION REGARDING STATE RESOURCES
POTENTIALLY AFFECTED BY THE PROPOSED 40-YEAR LICENSE
RENEWAL FOR GLOBAL NUCLEAR FUEL – AMERICAS, L.L.C., IN
WILMINGTON, NORTH CAROLINA

Dear State Reviewers:

The U. S. Nuclear Regulatory Commission (NRC) has received an application from Global Nuclear Fuel – Americas, L.L.C. (GNF-A) to renew its NRC License SNM-1097 for a forty-year term (proposed action). The primary purpose of the GNF-A facility in Wilmington, N.C. is the manufacture of fuel assemblies for commercial nuclear reactors. The GNF-A site is situated on a 1,664-acre tract of land, located on Highway 133 and approximately six miles north of the City of Wilmington, North Carolina in New Hanover County (Enclosure). The facility address is 3901 Castle Hayne Road.

As established in Title 10 Code of Federal Regulations Part 51 (10 CFR 51), the NRC regulation that implements the National Environmental Policy Act of 1969, as amended, the NRC is preparing an environmental assessment (EA) for the proposed action. To support the environmental review, the NRC is requesting input from the State of North Carolina to facilitate the identification of local resource areas that may be affected by a renewal of the GNF-A license. Any input you provide will be used to enhance the scope and quality of our review in accordance with 10 CFR 51. After reviewing all the information collected, the NRC will prepare a draft EA and will provide your office an opportunity to comment.

The GNF-A license renewal application (LRA) is publicly available in the NRC Public Document Room (PDR) located at One White Flint North, 11555 Rockville Pike, Rockville, Maryland 20852, or from the NRC's Agencywide Documents Access and Management System (ADAMS). The ADAMS Public Electronic Reading Room is accessible at <http://www.nrc.gov/reading-rm/adams.html>. The accession number for the LRA is ML071000128.

Please submit any comments/information you have regarding this environmental review by January 31, 2008. If you have any questions, please contact Ms. Johari Moore of my staff by telephone at 301-415-7694 or by email at jam7@nrc.gov. Thank you for your assistance.

Sincerely,

SFlanders for /RA/
