At this time Health Village Imaging wishes to amend it's Radioactive Materials License as follows:

1. Please delete Michael Nunno as Radiation Safety Officer.
2. Please add Thomas Yu as Radiation Safety Officer. Dr. Yu is listed as an authorized user on this license. Please reference this license's initial application for his credentials. Attached is a letter from Mr. Nunno attesting to Dr. Yu's training and qualifications.

If you have any questions or require any additional information please contact Mark Czaplanski, RT (NM) the individual in charge of the nuclear medicine program at our facility at: (609) 660-9729

Sincerely,

Richard Hand
Acting President

I Thomas Yu accept the position of Radiation Safety Officer at Health Imaging.

Thomas Yu, MD

Dear Sir/Madam:

I am writing in support of naming Thomas Yu, M.D. as Radiation Safety Officer for Health Village Imaging.

I have known Dr. Yu since he was a resident at The Cooper Health System and I was his medical physics instructor. Throughout his training period Dr. Yu regularly attended my course demonstrating his preparedness in the questions he responded to as well as the questions he asked. At the course's end he had a very good knowledge of radiation safety for both radiation producing machinery and radionuclides.

In his current role as Chairperson for both the Radiology Department and Radiation Safety Committee for Southern Ocean County Hospital he has continued to provide support and guidance on radiation safety issues. Dr. Yu has helped me and the nuclear medicine staff formulate radiation safety policies and procedures.

I support Dr. Yu's appointment as Radiation Safety Officer for Health Village Imaging in which radionuclides for diagnostic use only will be used.

Sincerely,

Michael P. Nunno, M.S., D.A.B.R., CHP
