Re: Freedom of Information Request re Radiac Research Corporation

Dear FOIA Officer:

Thank you for your agency's responses to previous information requests regarding the Radiac Research Corporation. Please regard this letter as another request for records, pursuant to the Freedom of Information Act, 5 U.S.C. § 552.

I request access to, or a copy of, all records created on or after February 1, 2004, concerning the Radiac Research Corporation facilities located at 33 South First Street and 261 Kent Avenue, Brooklyn, NY 11211. I am only seeking records that are not available through the ADAMS system on the internet.

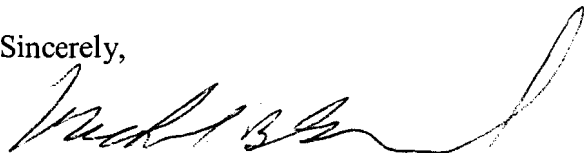

I am using the term "records" to include any information kept, held, filed, produced or reproduced, by, with, or for the agency, in any physical form whatsoever, including but not limited to, reports, statements, examinations, memoranda, opinions, folders, files, books, manuals, pamphlets, forms, papers, designs, drawings, maps, photos, letters, e-mails, notes, microfilms, computer tapes or discs, rules, regulations, or codes. I request that where records are held electronically, they be produced in a widely used electronic format, if practicable.

If my request is denied in whole or in part, please provide a detailed log of each record withheld together with the justification for its non-disclosure. I request that any segregable portions of records that are not exempt be disclosed. I also request that you inform me of the avenues for appeal from any denial of any portion of this request.

You are authorized to incur up to \$100 in copying and production expenses. If such expenses are expected to exceed \$100, or if you have any other questions regarding this request, please call me at (212) 715-1190.

Thank you for your prompt attention to this matter.

Sincerely,

Michael B. Gerrard
