Director  
U.S. Environmental Protection Agency  
National Air and Radiation  
Environmental Laboratory  
540 South Morris Avenue  
Montgomery, AL 36115-2601

SUBJECT: ENVIRONMENTAL PROTECTION AGENCY, REQUEST FOR ADDITIONAL INFORMATION CONCERNING APPLICATION FOR AMENDMENT TO LICENSE, CONTROL NO. 141502

Dear Mr. Fraas:

This is in reference to our Financial Assurance Audit. During the audit it was determined that additional information needs to be submitted concerning your Statement of Intent and an additional document is required. In order to continue our review, we need the following additional information:

1. Your Financial Assurance submittal of July 6, 2005, did not include a Certification of Financial Assurance. Please follow closely the model listed on page A-23 of NUREG-1757, Volume 3, "Consolidated NMSS Decommissioning Guidance, Financial Assurance, Recordkeeping and Timeliness."
2. The basis for the Statement of Intent for the above submittal was a functional statement of the organization. Please provide the governmental regulations which authorize you to obtain and dispense funds for the purpose of providing financial assurance for your license.

Current NRC regulations and guidance are included on the NRC's website at [www.nrc.gov](http://www.nrc.gov); select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material; Regulations, Guidance, and Communications**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 7:00 a.m. to 8:00 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 141502. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5075.

R. Fraas  
U.S. Environmental Protection Agency
